

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

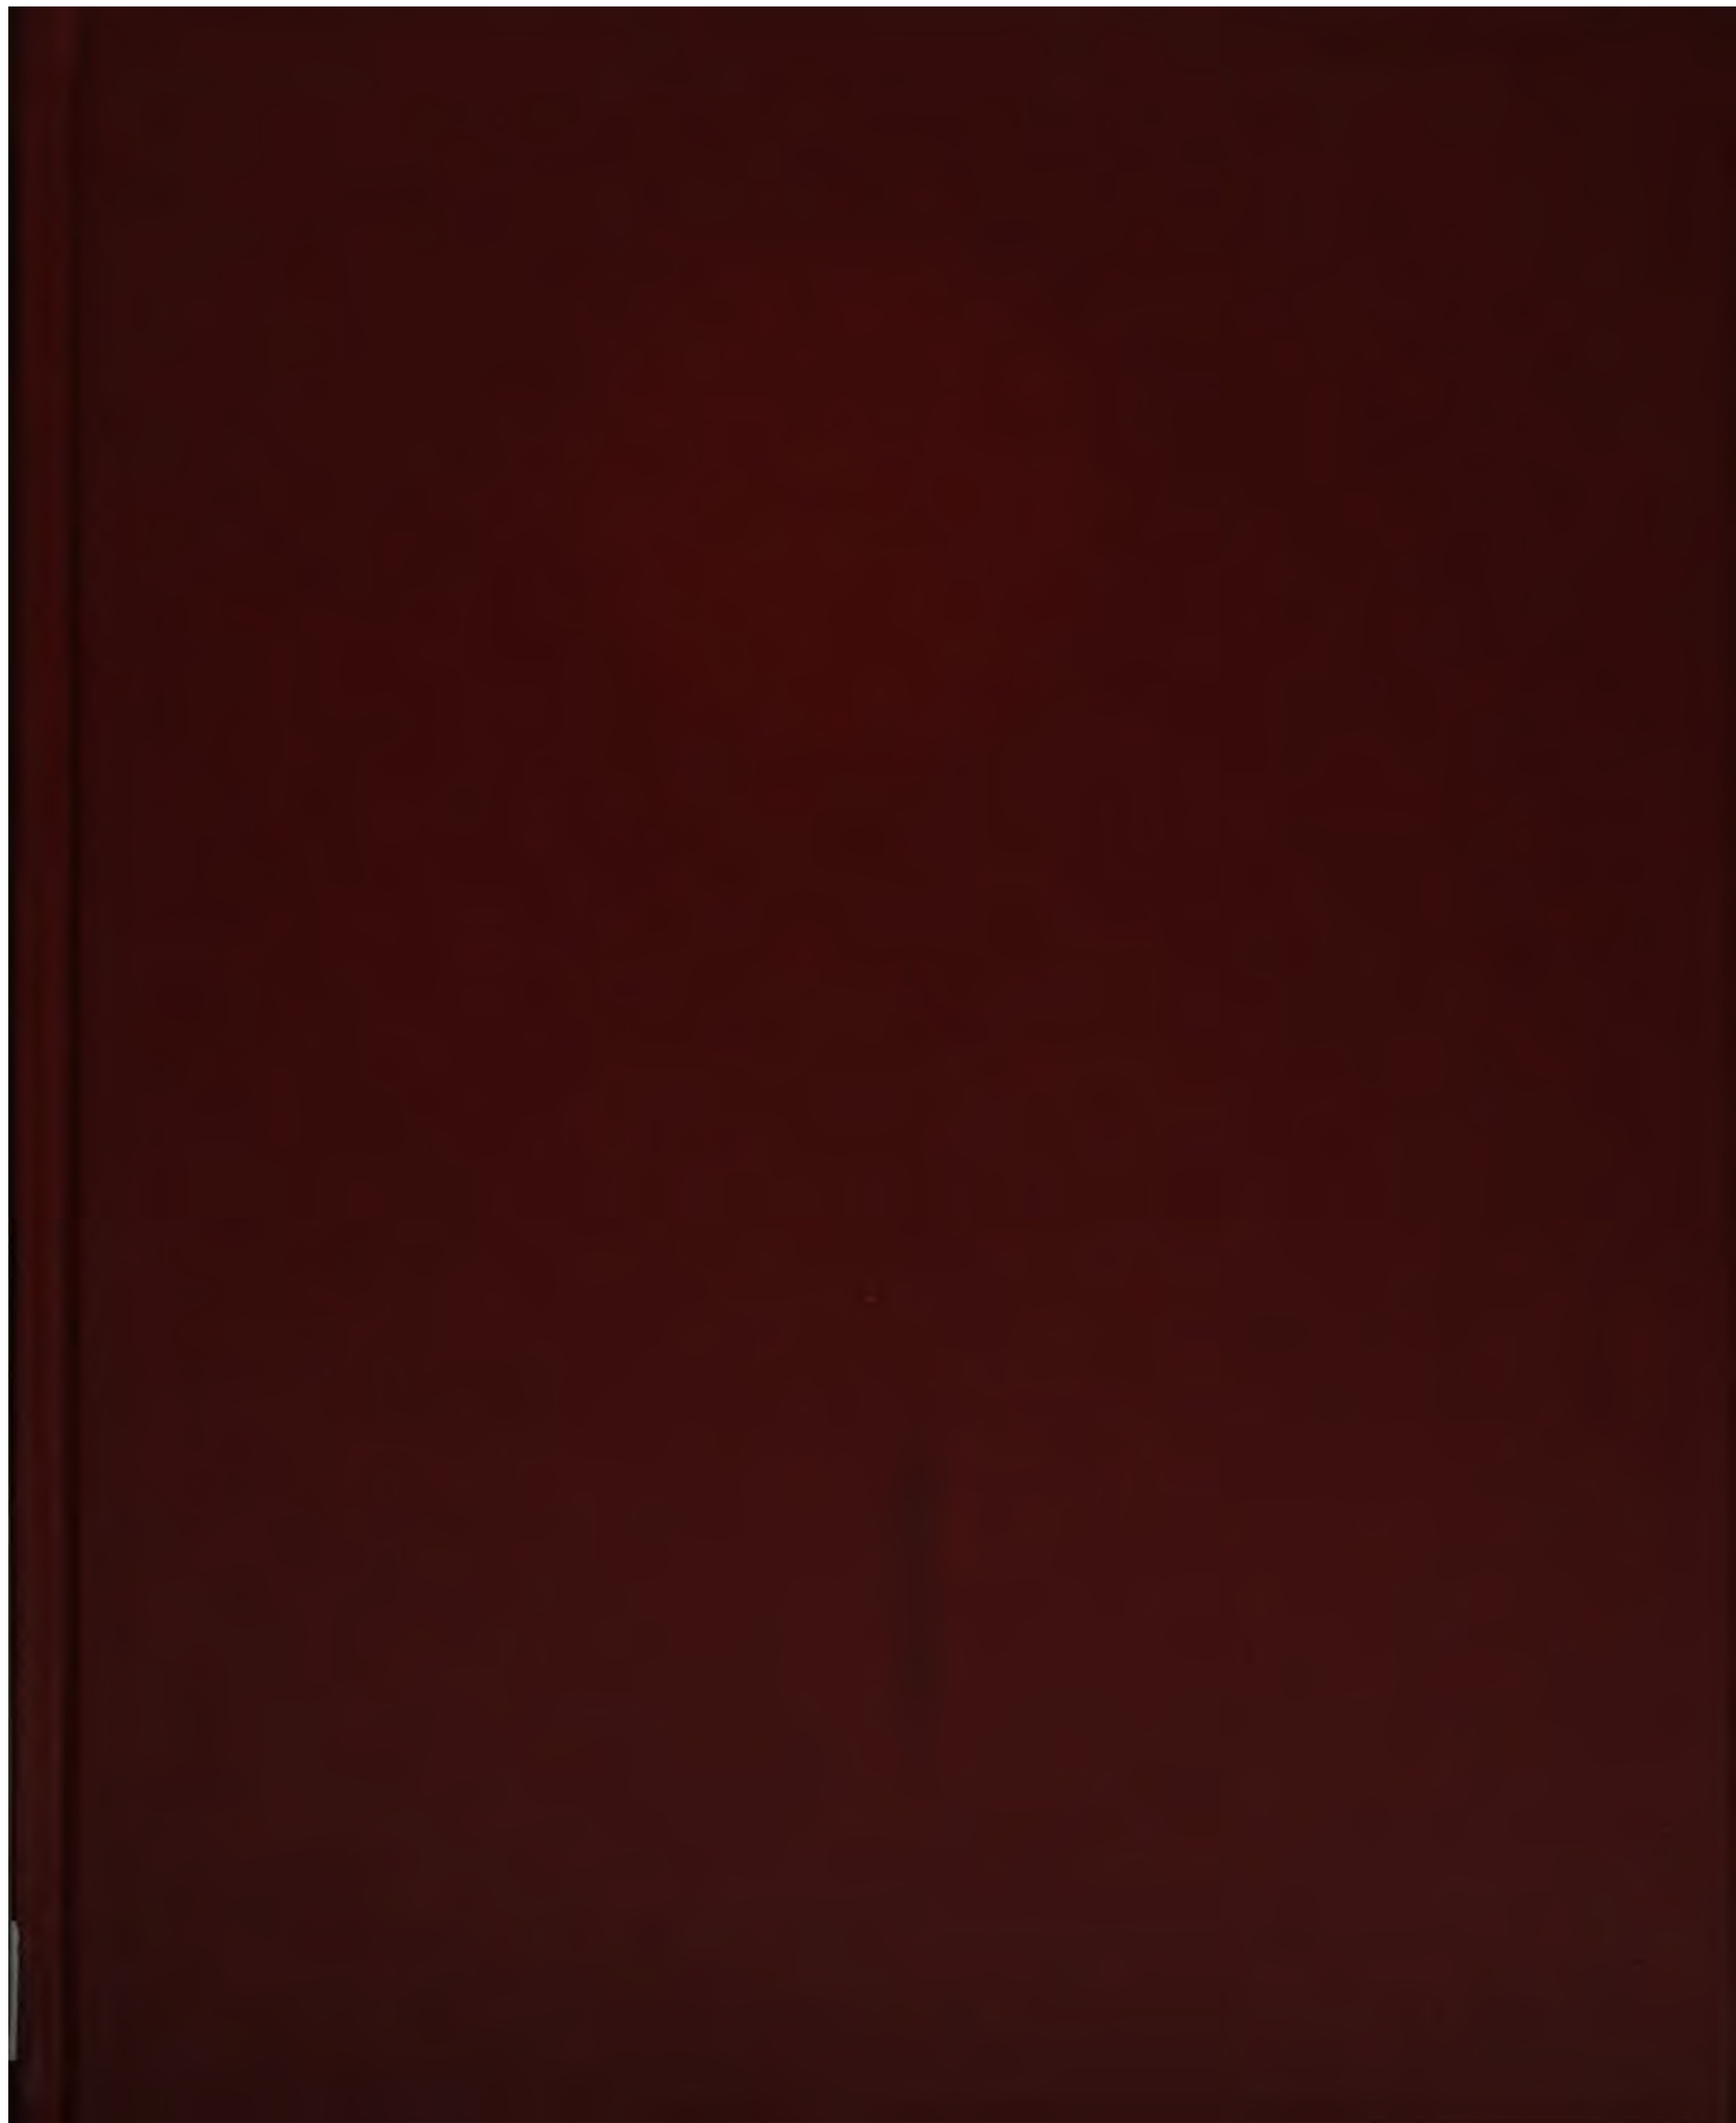

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

REMARKS

Relative to Blanks, Defects, Condition of Registers, &c.

- Monzie.*—B. Only three entries April 1721–Feb. 1727, and only one entry May 1730–Dec. 1731. After 1819 are seven leaves containing irregular entries dated 1770–1825. Mothers' names not recorded till Nov. 1727, and often omitted 1732–46 incl. M. intermixed with other matters prior to 1705. Blank Nov. 1705–Jan. 1728. After Nov. 1769, the Record seems to be one of Proclamations only.
- Monzievaird and Strowan.*—B. and M. intermixed from 1729 to March 1805. A few entries imperfect at 1734, in consequence of the corners of a leaf being worn away. Vol. 2 contains a Record of Proclamation Fees with occasional entries of Marriages 1697–1811, but it is blank 1749–Nov. 1786. D. *Mortcloth Dues* mixed with Proclamations of M. till 1811. Blank 1811–86.
- Moulin.*—B. No blanks in this Record, but the early portion has suffered from damp. No witnesses' names given in the entries. M. Date of Marriage very frequently recorded, as well as the fact of Proclamation. Fifteen entries imperfect after June 1791, in consequence of a portion of a leaf of the Register being partially destroyed.
- Muckart.*—B. Defective 1701–2. Blank Jan. 1710–July 1712, and (exc. one or two entries) July 1744–Oct. 1761. Mothers' names not recorded till about 1780. M. Record prior to 1729 intermixed with other matters. Blank Oct. 1729–'Whitsunday 1800,' from which date to 1823 there are ninety-three entries, but no year, month, or day specified. It appears to embrace Proclamations chiefly. D. *Mortcloth Dues* intermixed with Proclamations of M.
- Muthill.*—B. The greater portion of this Record is extremely irregular with respect to dates. The fly-leaf bears that it is a 'Register of Births, etc., as the same could be recovered from peoples' memories or their jottings from 3d of Aug. 1704 to 1st Nov. 1760; the original Registers of that time having been burnt in the Session-Clerk's house with several things of his own.' Very few entries before 1720. Families generally recorded in groups, and the date of the parents' marriage is also often mentioned. At the end of the Record for 1819 there is an index to the first ninety pages, being the most irregular portion of it. A regularly kept Register of B. Nov. 1760–1819 is contained in vol. 2, but most of the entries seem to be different from those recorded in vol. 1. On pp. 37, 42, 44, 45, 58, etc., are lists of children baptized at Ardoch Chapel, and on pp. 62, 69, 76, lists of 'Strathallan Children.' M. Prior to 1691 separate entries for Proclamations and for Marriages. The Record is blank Nov. 1691–1717, and the entries 1717–61 are extremely irregular and defective, being generally prefixed to the irregular registrations of the Baptisms of the children of the Marriages. Entries for 1761–63 incl. recorded among the B. for same period. Separate Record from March 1764, after which the entries are in a tabulated form. Blank July 1809–May 1820.
- Persie.*—No Old Parochial Registers, being a district erected under the Registration Act.
- Perth.*—B. The Record prior to 1581 is tabulated, and the entries, when complete, besides the date, consist of four names simply, viz. those of the father, the child, and two witnesses. Blank Feb. 1581–Dec. 1614, Dec. 1649–Oct. 1653, Aug. 1687–Oct. 1691. After Record for 1771 is an appendix (49 pp.) containing entries 1749–71. Mothers' names recorded after Oct. 1653. M. blank Dec. 1566–Jan. 1568, Dec. 1570–June 1571. No entries Nov. 1577–June 1578. After Record for Feb. 1581 occurs a separate Record of Contracts or Proclamations June 1565–March 1569. The entries of M. prior to 1581 contain no information respecting the parties, except their names. Blank Feb. 1581–Oct. 1653; also (exc. two entries) Feb. 1655–June 1657, and Sept. 1669–Aug. 1691. Five entries imperfect after Sept. 1657. Separate Records of Proclamations and of Marriages June 1693–April 1698. D. Blank Oct. 1563–Jan. 1568, Dec. 1576–July 1578. Half of last leaf (Aug.–Nov. 1581) cut off. The entries usually record merely the names of the deceased. The designation, however, is occasionally added.
- Port of Menteith.*—B. Defective 1739–40. Names of witnesses to the Baptisms not recorded after Nov. 1756. After Record for Dec. 1818 are two pp. of irregular entries 1799–1813 inserted by 'Willm. Macgregor Stirling Minr.' M. The outer margin of the leaves of the Record 1757–1820 has been too closely cut at some previous rebinding of the vol., and many dates are partially cut off.
- Rattray.*—B. blank (exc. one entry) June 1674–May 1699. Several traces of erasure occur after 1794. After Record for 1674 there are seven leaves containing entries May 1701–May 1706, and two entries 1707, which appear to relate chiefly to children belonging to the neighbouring parishes. Mothers' names not recorded till May 1699. M. blank July 1673–June 1699. Duplicate of Record June 1701–March 1705. Blank July 1744–Aug. 1746, Dec. 1782–July 1785, and Aug. 1794 to Nov. 1810. There is also a Record of Proc. of Mar. 1700–23, in vol. 2, intermixed with other matters. D. *Mortcloth Dues*, intermixed with Proclamations of M.
- Redgorton.*—B. blank Sept. 1709–June 1715. Only one entry May 1743–April 1744. Defective for 1746 and 1772. Record prior to 1815 not very carefully kept. Mothers' names not recorded till about 1803, and sometimes omitted after that date. M. Only entries of Contract or Proclamation Fees till 1815. Blank Sept. 1791–June 1804. Proclamations recorded after 1815. One entry of Marriage Nov. 1742, and six entries Oct. 1763–March 1765, recorded among the B. for same period. D. (*Mortcloth Dues*.)
- Rhynd.*—B. Margins of leaves 1713–35 wasted, and entries imperfect. At 1761–62 are two pages of irregular entries 1744–60. Mothers' names not recorded Nov. 1737–Aug. 1746, and frequently omitted after latter date till about 1754. M. intermixed with sessional matters till 1763. Recorded among B. 1763–68 incl. Separate Record from Feb. 1769. No entry for 1801. Only one entry (1810) Oct. 1806–Oct. 1822.
- St Madoes.*—B. and M. intermixed with other matters till 1615. B. blank April 1615–Oct. 1651, Dec. 1653–Oct. 1659. M. blank March 1615–Oct. 1659. B. and M. again intermixed after 1659. Both blank 1674–April 1676. Duplicate of B. and M. 1676–80 incl. Both Records blank (exc. five entries) Dec. 1680–Nov. 1684. M. blank Nov. 1697–Nov. 1701, and B. blank (exc. one entry) April 1698–Jan. 1701. M. defective 1701–5 incl., and blank Oct. 1777–Feb. 1791. D. One entry for 1805. Mothers' names not recorded in entries of B. till Oct. 1651, and again omitted 1671–74, and Jan. 1685–July 1687 incl.

Relative to Blanks, Defects, Condition of Registers, &c.

- St Andrews and St Leonards*.—(St Andrews)—B. With the exception that it is defective Dec. 1737–April 1740, Record carefully kept throughout; the portion prior to 1680, in particular, being beautifully written. After Record for June 1712, three pp. of entries of children baptized by an Episcopal Minister 1712–41; and at the beginning of vol. 2, two pp. of irregular entries of children baptized by Seceders 1738–57. After Record for 1819 there are 17 slips of paper containing the dates of Births of children born bet. 1803 and 1844. M. Record of Contracts and Marriages prior to 1770 mixed up with other matters. Blank 1685–94. Separate Record after 1770. Irregular Marriages occasionally recorded. D. Greater part of first leaf destroyed. Prior to Feb. 1735 the entries record not only the date of Death and Burial, but generally also the hour of both. After Feb. 1735 the date of Death only recorded.
- (St Leonards)—B. blank Aug. 1695–June 1696. Only one entry May 1799–May 1800. M. blank Jan. 1677–April 1678, and March 1690–Nov. 1691. Only one entry Nov. 1692–Aug. 1694, and one April 1695–Aug. 1696. No entry for 1717. Blank March 1739–June 1740. No entry for 1769. Blank Sept. 1797–Nov. 1800. No entry for 1821.
- St Monance*.—B. Three entries for 1682 and one for 1690 on first leaf. Margin of Record 1747–78 injured by want of care, and a number of entries thereby rendered imperfect. Entries occasionally occur a few years out of the order of time. At 1817, six irregular entries dated 1807–48. Duplicate of Record 1719–47. M. blank (exc. a few entries of Proclamation fees, etc.) Aug. 1691–May 1707, and Nov. 1756–March 1758. Occasional entries of Irregular and Clandestine Marriages. Duplicate of Record 1712–40, and 1746–47. D. Only *Mortcloth Dues* prior to 1747. Blank 1681–90, and 1704–36. Deaths Aug. 1747–Nov. 1756, and Jan. 1773–July 1781. Burials are recorded after Oct. 1783. There are, however, transcribed entries of *Mortcloth Dues* applicable to the blanks in the regular Record 1756–73 and 1781–83. Blank also Nov. 1817–Jan. 1827. Duplicate of portion 1827–44.
- Saline*.—B. No blanks, but irregular entries occasionally occur. M. Blank (exc. one entry) May 1783–March 1794. No entries Dec. 1798–Feb. 1800. The Record 1794–1817 is, with a few exceptions, one of Proclamations merely. D. (*Mortcloth Dues*.)
- Scoonie*.—B. Defective 1716–18. After Record for May 1760, there are six pp. of irregular entries dated 1740–86. Then follows a copy of the Record of B. Dec. 1755–March 1760, with continuation. Blank March 1761–Oct. 1765, and Dec. 1768–March 1770, from which date to 1792, B. M. and D. are mixed up in one Record, and all blank July 1783–Sept. 1788. There is, however, a separate Register of B. from Dec. 1783, which is continuous. Irregular entries frequent 1792–1804 incl., and 1817–19 incl. After 1819, are six entries (one family) 1814–27. M. Only entries of Marriage Pledges, etc., before Feb. 1676. Entries Feb. 1676–Oct. 1677 among B. Separate Record Nov. 1677–Nov. 1702. Blank Nov. 1702–Oct. 1718, from which date to April 1760, entries again recorded among B. There is also a Record of Contracts or Proclamations Oct. 1755–April 1760. Blank from latter date till Nov. 1765, when the Record of Contracts is resumed. Again blank May 1766–March 1770, from which date till Jan. 1783, and Sept. 1788–Nov. 1792, the entries of Contracts are intermixed with Baptisms and Burials for same period. Separate Register of Contracts and Marriages from June 1794. The title-page of this Record bears that it began Oct. 1783, but the early leaves have probably been destroyed or lost. D. (Burials.) Blank April 1766–Jan. 1770, Feb. 1783–Feb. 1788, and May 1792–Jan. 1817. Deaths and Burials after 1817.
- Strathmiglo*.—B. Prior to 1747, and again 1756–1800, each entry consists of a date and three words, viz. name and surname of father, and baptismal name of child. Mothers' names added after 1800. M. blank June 1753–Feb. 1817, but there are entries of Contract Money 1702–43, and 1748–1819, mixed up with *Mortcloth Dues*, etc. D. Only *Mortcloth Dues* prior to 1817. Burials after Jan. 1817.
- Torryburn*.—B. First leaf of vol. 2 contains entries (1688–95) of children of Seceders, most of them baptized in other parishes. Corner of three leaves (1755–56) torn off. Exc. that a few interpolated entries occur after 1783, this Record appears to have been regularly kept. M. blank (exc. four entries 1675–81) Nov. 1665–Jan. 1702, and Oct. 1710–Dec. 1711. After 1723 the Record is one of persons who gave up their names to be proclaimed. The fact or the date of Marriage, however, is not unfrequently added to the entries after 1800. D. (*Mortcloth Dues*.) Blank Nov. 1817–Dec. 1820.
- Wemyss*.—B. This Register appears to have been originally kept with great care and regularity, but it has subsequently suffered much from damp and neglect, and the corners of the leaves 1660–67, 1698–1718, and 1729–33, have been more or less destroyed—at the last date apparently by mice. The original is wanting March–Sept. 1744, but there are four leaves of transcribed entries Sept. 1743–Sept. 1744, which embrace the missing entries. There are also three leaves of transcribed entries May 1771–Oct. 1771, and July 1774–Feb. 1775, the originals of which have been lost. M. Record originally kept with care, but has since suffered much from damp. Greater part of leaf Oct. 1678–May 1679 destroyed. Four leaves of transcribed entries May 1744–Oct. 1746, of which the originals are lost. Bet. 1775–83, date of Marriage seldom given, but date of 'Booking' only. D. (*Mortcloth Dues*.)
- Cleish*.—B. and M. intermixed from Feb. 1702. Both blank Dec. 1741–Sept. 1742. Duplicate of entries Aug.–Dec. 1741, and Nov. 1743–Aug. 1751. Leaf of irregular entries of B. 1780–91 after Record for Aug. 1783. Mothers' names not recorded in entries of B. till 1743. Separate entries of Proclamations and of Marriages prior to Dec. 1741. After 1783, entries of M. seem to be proportionally fewer than previous to that date. D. Ages of deceased generally stated; and often the disease which proved fatal. Blank May 1811–Jan. 1828.
- Fossoway and Tulliebole*.—B. and M. intermixed with other matters till May 1687. Both blank June 1634–Dec. 1670. B. blank May 1687–June 1693, and July 1695–June 1696. Record 1751–80 arranged alphabetically, in the order of time, according to the baptismal names of the children. Mothers' names not recorded till Nov. 1786. M. Chiefly Proclamations prior to 1687. Blank May 1687–Aug. 1691, from which date a pure Record of Marriages, the entries up to 1762 containing merely the names of the married parties. Blank Dec. 1728–April 1730, Sept. 1790–Jan. 1792, and Nov. 1798–Feb. 1815, after which only transcribed entries of Proclamation money. D. Blank Oct. 1727–Jan. 1745, July 1779–Jan. 1781, and Sept. 1790–Feb. 1815, after which only *Mortcloth Dues*.

REMARKS

Relative to Blanks, Defects, Condition of Registers, &c.

- Bothkennar*.—B. and M. intermixed June 1728–July 1788. M. Chiefly Proclamations throughout. The date or fact of Marriage seldom recorded; and in the case of irregular Marriages, only the date of paying the Fine. After Record for 1819, are twenty-five pp. of transcribed entries of irregular M. Feb. 1723–May 1816. D. (Burials) blank Nov. 1727–Oct. 1783. After Sept. 1794, there are only two entries (1827–31) till Jan. 1840, and nine entries bring it down to Nov. 1846, when it terminates.
- Buchanan*.—B. blank Oct. 1674–14th Nov. 1675, and Sept. 1684–Nov. 1686. Irregular and defective 1688–Sept. 1699. Blank from latter date to Sept. 1707, exc. one entry for 1703. Defective 1767–69 incl. M. blank June 1674–Nov. 1675, and Feb. 1690–Dec. 1691. Defective from last date to 1699. Blank Aug. 1699–Nov. 1707, and Jan. 1765–Dec. 1804. There is, however, a small 4to vol. containing Proclamations of M. 1764–May 1806, which applies to the latter blank. Both Proclamations and Marriages recorded till Jan. 1765; frequently also 1806–10, and again after April 1817. The former, prior to 1687, usually bear to have been made 'with consent of parents and friends.' The Records of B. and M. prior to 1699 are very much wasted. D. *Mortcloth Dues* 1760–84 on occasional pp. of the Record of Proclamations. Blank from latter date to Jan. 1817, when a Record of Deaths and Burials commences. Only four entries 1824–34, and none 1840–44.

REMARKS
Relative to Blanks, Defects, Condition of Registers, &c.

- Muiravonside*.—B. Form of entry tabulated till 1788; the information for that period being limited to names and dates. Corners of leaves 1756–61 frayed. The Record, however, appears to have been carefully kept. One p. of entries of children of Seceders, dated March 1761–Dec. 1768, after 1819. M. Record regularly kept, both Proclamations and Marriages being recorded. Leaves prior to 1761 have suffered from damp. D. (Burials.) After Oct. 1794, only one entry for 1797 and twelve entries 1850–51 are recorded.
- Polmont*.—B. Only two entries prior Jan. 1732. Record carefully kept. Duplicate of portions preceding April 1780, and May 1789–1804 incl. Residence of parents omitted prior to 1797. Triplicate of portion Oct. 1783–April 1791. M. Prior to Dec. 1783 there are only entries of Proclamation money, which are continued till Feb. 1788. Blank 1739–42. Only Bridegroom's name in the entries prior to Jan. 1743. Register of M. blank July 1791–Oct. 1794, and Feb. 1796–March 1806, after which date Proclamations chiefly, the fact of Marriage being seldom added to the entries. D. *Mortcloth Dues* 1737–88. Blank 1739–1742. Burials Oct. 1783–Sept. 1791. Blank from latter date till March 1806, when a Record of *Mortcloth Dues* is resumed.
- St Ninians*.—B. Record tabulated throughout. From May 1660–May 1670, witnesses' names not recorded, but residence of parents is stated instead. From 1677–82, both are usually given, and again after 1688. Leaves prior to 1687 damaged. Blank Jan. 1687–March 1688—probably two leaves lost. Somewhat irregular and defective after 1774; blank spaces being left apparently for expected entries. M. blank March 1719–Nov. 1725, and Jan. 1754–May 1774. After 1749 the fact of Marriage is seldom added to the entry of Proclamation.
- Slamannan*.—B. blank March 1688–July 1691, Dec. 1692–March 1694. Imperfect leaf at 1761, 1767, and 1801. M. Record prior to 1688 intermixed with the B. Blank April 1688–Sept. 1699. In a large proportion of the entries after 1730, the fact of Marriage is not recorded. D. Burials and *Mortcloth Dues* mixed with the B. and M. for same period. The Records prior to 1688 are described as the 'Minute Book of the Session of St Lannance.'
- Stirling*.—B. blank March 1592–May 1671, Dec. 1706–Aug. 1709. Record 1756–94 very irregular with respect to dates, the entries being inserted chronologically, or nearly so, under the initial letter of the child's surname. There is, however, a Record kept in the usual way commencing Oct. 1783, but somewhat irregular till 1794. M. Separate entries of Contracts and Marriages previous to 1594. Exc. a few transcribed entries referring to Marriages 1598–1617, blank Nov. 1594–Sept. 1723; also (exc. one entry) May 1747–April 1751. D. Burials till 1769. Blank Aug. 1769–Oct. 1783, after which Deaths and Burials. There are also a few transcribed entries relating chiefly to Burials in the Kirk of Stirling, or in the Aisle thereof, dated 1605–19.
- Strathblane*.—B. Exc. one leaf containing entries for Feb. and March 1672, there is none of the original Record extant till Oct. 1693, and every leaf of it from that date to Dec. 1729 is very imperfect, several being altogether lost. There is, however, a transcript of the portion from Oct. 1693, which appears to have been made by the Session-Clerk in the year 1819. Many of the entries in the latter exhibit blanks, showing the defective state of the early Record even at that date. Original Record blank Dec. 1729–April 1732, but no blank at that period in the transcript. M. Blank Aug. 1686–March 1690, May 1695–May 1703, May 1706–April 1717, Nov. 1729–July 1736, Nov. 1773–Jan. 1775. The original of this Record prior to Dec. 1729, like that of the B., is very much wasted. There is, however, a transcript from May 1678 onwards, which exhibits no blank at 1695–1703, and is only wanting Dec. 1714–Jan. 1717. Blank, however, as in the original Record, Nov. 1729–July 1736, and Nov. 1773–Jan. 1775. D. *Mortcloth Dues* till 1676; then blank till Jan. 1724, from which date to May 1732, Deaths. The original is very much wasted, but there is a transcript, by the Session-Clerk, of the portion 1724–March 1729. One entry for March 1819.
- Arrochar*.—B. Only about 20 entries, and these irregular, prior to March 1767, at which date the Record proper commences. Irregular entries frequent before 1785. M. No entries for 1769 nor for 1772. Blank Jan. 1774–Nov. 1780, and only two entries July 1802–Feb. 1805. No entry for 1815. D. (Burials.) On one leaf.
- Bonhill*.—B. Blank Dec. 1688–April 1691. Leaf after Sept. 1751 imperfect. Duplicate of portion Sept. 1751–June 1772. Irregular entries of frequent occurrence after 1800. M. Blank Nov. 1687–March 1691. Leaves of Record 1751–67 injured by want of care, and several entries imperfect.
- Cardross*.—B. blank Sept. 1681–Oct. 1687. Lower portion of leaf at Feb. 1739 cut off. Duplicate or copy of portion Feb. 1757–April 1787. M. Corners of leaves prior to 1712 wasted, and entries imperfect. Record defective Nov. 1776–June 1778. The fact of Marriage frequently not stated in the entries of Proclamations after 1779.
- Cumbernauld*.—B. Early leaves injured by damp, and entries partially illegible. Only two entries Dec. 1699–Jan. 1701. Blank July 1710–July 1727, exc. five irregular entries 1714–27. Mothers' names omitted 1727–34 incl. Blank (exc. 13 irregular entries) July 1752–Jan. 1761. Leaf at 1778–79 imperfect. Scroll of portion 1782–92 after Record for 1819. M. Leaves prior to 1710 very much wasted, and most of the entries partially illegible. No entries Dec. 1695–Aug. 1696, nor Oct. 1701–Nov. 1702. Blank Aug. 1710–Oct. 1727. Imperfect leaf at May 1736. Blank June 1752–Jan. 1761, and (exc. one entry for 1769) March 1768–Dec. 1783; also (exc. one entry) Dec. 1791–Oct. 1798, and June 1800–Jan. 1802. D. (Burials.) Record terminates May 1800.
- Dumbarton*.—B. blank Sept. 1671–Jan. 1677. No entries Dec. 1699–Aug. 1700. Eight leaves imperfect after 1700. Lower portion of leaf at Sept. 1780 cut off. No entries June 1698–Jan. 1700. Blank May 1707–March 1709. After 1700 the Record appears to be chiefly one of Proclamations, the fact of Marriage being very seldom added. D. Blank July 1671–Feb. 1677, and Feb. 1683–July 1686. No entries Jan. 1698–Oct. 1699. The date of Burial is also frequently recorded bet. 1670 and 1739. After Oct. 1749 there are three entries of Deaths for 1776.

REMARKS

Relative to Blanks, Defects, Condition of Registers, &c.

Irregular Marriages, however, are not unfrequent in the Record. D. Date of Death recorded prior to 1787; after that date the Record is one of Burials. Age of deceased and cause of Death usually stated.
- Eaglesham*.—B. Previous to 1674, the entries for each month are recorded in groups without distinction of days, exc. in a few instances. Eight irregular entries, 1780–94, inserted at Sept. 1789. Mothers' names seldom recorded before 1771. There is a separate Record for Children of Dissenters, 1786–1854, which is irregular with respect to dates. M. The Record prior to 1771 is kept on alternate pp. with that of B. for 1723–48. - Eastwood*.—B. Exc. one imperfect leaf of transcribed entries, 1674–76, there is no Record till Dec. 1687. Defective for 1757. Irregular entries occasionally occur, chiefly of the children of Dissenters. M. Blank Dec. 1756–May 1759. Entries June 1790–Dec. 1791 twice recorded. - Greenock*.—(Middle Parish)—B. Prior to 1790, the regular Record is chiefly confined to the left hand pages; the right hand pages, previous to 1752, being either blank or occupied by occasional entries of Deaths, and afterwards by occasional entries of B. M. This Record is titled 'Register of Marriages,' but exc. about 1749 and 1765–68, the fact of Marriage is almost never added to the entries of Proclamation. D. Recorded on alternate pp. of the Register of B.
- (East Parish)—B. No separate Register for this parish prior to March 1809. M. No separate Record before Sept. 1809.
- (West Parish)—B. Previous to Nov. 1711, the actual signatures of the witnesses to the Baptisms are subjoined to the entries. Defective June 1725–May 1727. Record prior to 1776 (exc. 1762–70) only on the left hand pp. of the Register; the right hand pp. up to 1747, when not blank, being occupied by entries of D., and afterwards by occasional entries of B. Record Oct. 1786–1807 tabulated. M. Blank July 1725–May 1727, from which date till 1786, the Record is almost exclusively one of Proclamations. Blank Oct. 1767–Dec. 1783, and Oct. 1798–Oct. 1815.
- Kilbarchan*.—B. Blank Oct. 1662–Oct. 1672, in consequence of Mr. John Stirling, the Presbyterian Minister, having been, during that period, debarred from the exercise of the Ministry by the Civil Authority. Blank also July 1683–June 1688. Exc. two leaves containing entries for 1706, the original Register from May 1699–June 1740 is lost. There is, however, a copy of it from June 1700; but the copy is blank (exc. three entries, 1712, 1714, and 1716) Feb. 1711–June 1740. The original is extant 1740–60, and the copy is continued after 1760 as the principal Register. Mothers' names not recorded till Oct. 1672, and again omitted June 1688–March 1689. M. Bet. 1745 and 1748, a number of entries almost illegible. D. No Record prior to June 1817.
- Lochwinnoch*.—B. The Record prior to about 1790 is a copy, which bears to have been made in 1788, and seems to be inaccurate in some particulars. Mothers' names rarely recorded before 1771, and sometimes omitted up to 1788. M. The first six leaves have suffered from want of care. Blank Dec. 1723–Sept. 1725. Lower portion of leaf at 1749–50, and upper portion of two leaves at 1756–60, torn off, and a number of entries partially, some entirely, destroyed. No entries July 1777–March 1778. REMARKS
Relative to Blanks, Defects, Condition of Registers, &c.

- Glaserton*.—B. Blank June 1731–Nov. 1744, and irregular and defective Jan. 1753–Aug. 1778 incl. Blank (exc. irregular entries) 1778–1813. After 1819, five pp. of entries 1784–1819, and a copy of the Record 1813–19. M. Blank Dec. 1727–Oct. 1736, July 1740–Jan. 1744, June 1774–Jan. 1814; and (exc. two entries for 1825) Dec. 1819–Jan. 1849. The Record 1814–19 seems defective, and the entries embrace merely the names of the parties. D. One entry, dated 1839.
- Lech*.—B. The Record prior to 1817 has suffered much from damp and want of care—the margins of nearly the whole of the leaves being imperfect. Entries many years out of the order of time frequent. One p. of irregular entries, 1753–83, after M. for March 1809. Duplicate of entries Sept. 1810–May 1813, the original, which is on one leaf, being much wasted. Mothers' names rarely recorded till Aug. 1802. M. The first leaf much injured, and a portion of most of the entries thereon destroyed. Exc. for period 1737–48 incl., unless in the case of irregular Marriages, the fact of M. is seldom added to the entries till 1817.
- Kirkcolm*.—B. The original Record appears to have been commenced about 1790; but prefixed to it are four pp. of irregular entries, dated 1779–1814, with one entry 1775. After 1819 is a copy of the Record, in which the irregular entries seem to be incorporated in chronological order. M. Proclamation of Banns. In duplicate. D. (Burials.) Only one entry before Jan. 1796. Original blank May 1812–Jan. 1818, and ends Oct. 1818; but there is a copy, in which the blank is only May 1812–March 1816, with three entries under 1815, and which is continued as the principal Register.
- Kirkcowan*.—B. Only two entries prior to Jan. 1792. Record tabulated. M. It would appear that the early Session Books of this Parish were destroyed by fire. There does not seem to be a Record of Marriages extant of a date prior to 1832.
- Kirkinner*.—B. Blank Feb. 1698–Sept. 1702, April 1721–Sept. 1726, Oct. 1728–Feb. 1730, Dec. 1735–Jan. 1737. Defective 1744–54 incl., also 1766–76 incl., and 1784–93 incl. Entries out of the order of time occasionally occur. M. Blank June 1699–Dec. 1702, and July 1742–Nov. 1779. The fact of Marriage is not stated in the entries from 1779 till after 1820.
- Kirkmaiden*.—B. and M. intermixed 1716–80. Duplicate of portion June 1738–Oct. 1742. Defective for 1744. M. Record prior to 1716 prefixed to Register of B. Blank Jan. 1712–Jan. 1716, after which date the entries intermixed with the B. till 1780. Separate Record commences April 1779. D. Lower portion of leaf at March 1737 cut off. Duplicate of Record May 1738–Oct. 1742.
- Leswalt*.—B. No entries for 1753, and only one entry for 1755, and for 1757. Six entries 1767–82 recorded after March 1783. Only two entries Oct. 1783–Jan. 1786. Entries 1784–90 on p. at March 1789. After May 1804 is a copy of the Record from Feb. 1756, which is continued after 1804 as the principal Register. After 1797, in the copy, two pp. of irregular entries 1767–1822. The early portion has suffered from damp. Mothers' names not recorded till 1798. M. No entries Dec. 1739–March 1741, and blank (exc. five entries 1751–2) April 1748–Jan. 1790. Blank Jan. 1711–Jan. 1726, exc. three entries March and April 1725. The leaves from 1775–96 are in a condition similar to those of the B. Register, mere fragments only of some of them being preserved. Blank 1796–Dec. 1798. No entries for 1816. D. The first four leaves are very much wasted, and many entries partially, some entirely, destroyed. Thirty entries prior to Jan. 1730, with dates destroyed.
